INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Members of the Board
Missouri State Highway Patrol Benevolent Fund, Inc.
Whitewater, Missouri

We have reviewed the accompanying financial statements of the Missouri State Highway Patrol Benevolent Fund, Inc. (a non-profit organization), which comprise the statement of financial position - modified cash basis as of September 30, 2023 and 2022, and the related statements of activities - modified cash basis and statements of functional expenses - modified cash basis for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the modified cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the modified cash basis of accounting.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

Notes to Financial Statements
For the Years Ended September 30, 2023 and 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

Missouri State Highway Patrol Benevolent Fund, Inc., is a Missouri nonprofit organization that provides assistance and scholarships to the spouses and children of Missouri State Troopers who have been killed in the line of duty. The Organization is also known as the Missouri Association of State Troopers Emergency Relief Society (the MASTERS).

B. Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Basis of Accounting

The Organization's policy is to prepare its financial statements on the modified cash basis of accounting; consequently, revenues are recognized when received rather than when earned and expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred except for investments which are stated at fair market value.

D. Functional Expenses

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases used in conjunctions with the Organization's cost allocation plan.

E. Tax Status

Missouri State Highway Patrol Benevolent Fund, Inc., is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, provisions for federal and state income taxes are not required. The MASTERS believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The MASTERS' Federal Exempt Organization Income Tax Returns (Form 990) for 2023 and 2022 are subject to examination by the IRS, generally for three years after they were filed.

F. Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: without restrictions and with restrictions. A description of the two net asset categories follows:

Net Assets Without Donor Restrictions- Net assets available for use in general operations and not subject to donor-imposed restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors.

Net Assets With Donor Restrictions- Net assets whose use by the Missouri State Highway Patrol Benevolent Fund, Inc. is subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates the resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.
